

PA Polio Survivors Network Newsletter

We are Polio Survivors Serving Others

www.polionetwork.org

Our Monthly Newsletter is Available for Home Delivery in Canada

With gratitude to a local printer (whose father was a polio survivor); we are still able to offer our newsletter, in full color for a very reasonable price.

Your donation of \$48.00 per year will bring our full color, 8 page newsletter to your mailbox *every* month.

We have had the wonderful opportunity to be able to publish the work of the International Center for Polio Education, Post-Polio Health International, Rotary International and many other Polio and Post-Polio knowledgeable sources.
